Sub:- Inordinate delay in holding DPC for time bound IDA promotion for Executives.

Sir,

We understand that there have been inordinate delay in holding DPC for time bound scale for executives resulting in tremendous frustration among the executives belonging to Telecom, Civil,Electrical etc. It is a matter of great concern that they are being deprived from getting time bound scale years after years. Although the corporate office has issued clear directives to hold DPC every year in the month of October, due to reasons best known to you the executives are suffering in getting their legitimate pay scale.

We understand that it is the sheer lapses on the part of administration. We hope that the Circle Administration will take up the matter seriously and in true spirit.

I would therefore request your goodself to bestow your personal attention for settlement of long pending and long awaited time bound promotion.

Thanking You,

DT:- 23-06-2010, Kol.

Sincerely yours,

(ATANU MONDAL)
