Sub:- Illegal encroachment of the land of BSNL at Gopalpur wireless site & Baranagar wireless site.

Sir,

With the reference to above, I have been directed by the members of this Association to draw your kind attention to the fact that Acres & Acres of BSNL land at Gopalpur & Baranagar have been encroached illegally by some private parties. It is learnt that the cost of the said lands is Crores & Crores of Rupees and the lands belong to the jurisdiction of GMT/Cal SSA.

It is also reliably learnt that BSNL, WB Circle has not taken up the matter with the competent authorities of Govt. of WB and concerned land revenue offices to establish the claim of the ownership of the said lands in the name of BSNL.

It is a great concern and matter of regret on the part of each BSNL employee that such a real estate of BSNL is going to be encroached / already encroached and in future it is presumed that the whole land will be registered in the names of the other parties.

On behalf of this Association, I must submit my complaint before your honour for such type of administrative lapses and failures on the part of BSNL, West Bengal Circle and it is requested kindly to take all necessary emergency steps to protect the properties of BSNL.

Necessary action may also be taken against all the private parties for the above unauthorized encroachment.

Thanking You,

DT:- 22-06-2010, Kol.

Sincerely yours,

(ATANU MONDAL)
