Sub:- Utilization of vacant staff quarters.

Sir,

You are well aware of the fact that the directive of the corporate office for the purpose of utilization of staff quarter by leasing to CPSU to generate additional revenue is not adhered with.

We understand that just about 50% of the total staff quarter is still vacant. Yet no steps have been taken to utilize the said vacant quarter although Corporate office issued several directive time and again. In this context we like to remind you that WBTC is going to incur heavy losses in the current financial year.

So, sir in view of the above facts we request your good self to kindly take appropriate action which will accelerate the additional generation of revenue.

Thanking You,

DT:- 20-07-2010, Kol.

Sincerely yours,

(ATANU MONDAL)
