Sub:- Request for early publication of corrected gradation list JTOs.

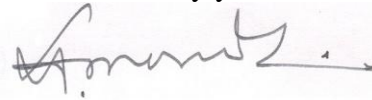

Sir,

It is a matter of great concern that there had been no publication of corrected gradation list for JTOs since 2004. Normally gradation list is supposed to be published and widely circulated every year. What is given in the provisional gradation list does not tally with available RTI data supplied by the competent authority. This has caused anomalies in local promotion and other related matters. As it has become overdue, we request you to bestow your personal attention in the above mentioned matter so that corrected gradation list is published within stipulated timeframe.

I would therefore request your goodself to kindly take appropriate action at the earliest.

Thanking You,

Sincerely yours,

(ATANU MONDAL)
