Sub: Protest against the anomalies in Transfer/Posting order in the grade of SDE(C) of WB Civil Co-ordination Zone.

Ref: Your letter No.3-1/2009-CEEZ/1359 dated 24.06.2010.

Sir,

We are really astonished and felt very sorry after getting the Transfer / Posting order, in the grade of SDE(C) in your Coordination Zone, issued on 24.06.2010. As per our observation this order is full of anomaly and done totally with an ill motivation to attack a particular Service Association. In this order no guideline of Corporate Office, regarding Transfer, has been followed. We got sufficient documents to establish the intentional motivation of your Section Officer to dilute the truth of your office record.

Therefore, it is our earnest request to your goodself to stop implementation of such arbitrary transfer order which has causes huge repercussion and demoralization for entire SDE grade within West Bengal Zone working under your kind control.

We solicit an early appointment as per your suitable time and date before implementation of the said order. This letter may please be treated as most urgent.

Thanking you.

Yours faithfully,

(ATANU MONDAL)
