Sub:- Request to introduce uniform arrival / attendance system for all.

Sir,

We understand that the Executives arrival system through MEDHA has been introduced successfully with effect from 1st December,2009. We thought this attempt will be able to improve workculture and services upto customer satisfaction considerably. But we are sorry to say it has failed miserably to come across any perceptible change relating to services. This is because of the fact that a vast section of officials has not been taken in the same system in true spirit. What is going on is a unprecedented and unwarranted chaotic condition everywhere in CTD.

There is no denying the fact it is the lack of strong will and commitment which is responsible for the present situation. Sir, we are constraint to write that it is a sheer violation of corporate office order which has clearly stated to introduce time recording machine for all officials.

In the given situation we strongly reiterated to have a fresh look on this issue and to introduce a uniform arrival / attendance system for all in true sense.

I would therefore request your goodself to kindly take appropriate action so as to enable a congenial atmosphere..

Thanking You,

Sincerely Yours,.
